## **INFORMATION DISCLOSURE STATEMENT**

Enclosed is Form PTO/SB/08B identifying several applications filed by the Applicants. Applicants direct the Examiner to these applications to consider whether the subject matter claimed, now or as may be amended in the future, as well as the associated prosecution history, now or in the future, may be relevant to the patentability of the present application (e.g., for reasons of obviousness-type double patenting). Applicants believe that the Examiner has access to the applications and associate file histories through the Patent Office (e.g., the IFW system). Accordingly, Applicants have not provided copies of these applications or their associated file histories, but would be happy to do so, now or in the future, should the Examiner so request.

This Statement is being submitted under the terms of 37 C.F.R. §1.97(c) and believed to be filed before the mailing date of either: (i) a final action under §1.113; or (ii) a notice of allowance under §1.311.

Under 37 C.F.R. § 1.97(h), it is understood that filing of the Information Disclosure Statement does not constitute an admission that the information submitted is or is considered to be material to patentability.

The Commissioner is hereby authorized to charge the \$180.00 Information Disclosure fee set forth in 37 C.F.R. §1.17(p) to Deposit Account No. 01-2215. Authorization is also given to charge any fee deficiency, or credit any overpayment to Deposit Account No.01-2215.

Respectfully submitted,
